Dear Friends and Family,

We are praising The LORD for more souls that have been won this month. Six more men from the rehab receive Jesus in their heart. We rejoice with the angels in heaven when we can reach out to these souls that have been in prison and drugs and as they have an experience with the Lord. They will be ministers for the ones that are in the same position that they were and the Lord has brought these in our area because we have been surrounded with so much injustice even the police but the Lord knows all about it and He is merciful to His children. Praise His Name!!

The Mexican army is in town in Tecate but not in the suburbs like our area. Once in a while they come but not often enough.

The guys from the rehab come and help once a week and help clean the grounds. For Mother's Day we cooked a meal for the Moms and family—spaghetti and salad for a change—no beans and the guys were right there helping and serving. How beautiful to see the Lord transforming lives these tough prisoners that use to be tough become servants of the Lord. Hallelujah! Only the Lord can do those wonderful miracles.

On Wednesdays we have one of the preachers from our church that also came out of drugs. He preaches at the Rehab and we want to start encouraging the church to go and eat with them. We will also go and take dinner for all Lord willing. We already did it and they were amazed. They need to know and feel part of the body of Christ and that they are new creations transformed to God's Glory and that they have become soldiers of the Lord.

So pray for us because slowly but surely we are involving ourselves by the desire of the Lord's love for these men, in adding to our ministry this commission.

The church is doing good with trials and tribulations. But the Lord said in this world we shall have tribulations, but be of good cheer. Yes, that's what we are doing. No problem is bigger than our God.
