

## REACHING THE UNREACHED

Dear friends,

I am so excited to write to you about my plans for the near future and the new things that God has in store for Abel and me! I am sure that by now you have all heard the story of how God brought us together after being separated for 5 years. During that time Abel started a ministry in Kenya called NURMAY MISSIONS, whose vision is to train missionaries, specifically Africans, and to reach the unreached, those who have never heard the Gospel before. When Abel and I talk about missions, it is amazing to see how our hearts beat as one, with one vision and one passion- to reach the lost! We encourage each other, and the desire to touch and change lives is stirred up even more in our hearts. Our prayer is that, as a couple, God will use us to change the history of Africa!

Soon, I will be leaving Mozambique and starting my new life and ministry in Kenya! Of course, I will miss Mozambique, but, as always, I am ready and excited for new challenges and new adventures! I recently received an email from Abel talking about one of the unreached tribes in Kenya, the Pokot. Abel visited them for the first time in June, and we will take a team from Brazil to minister among the Pokot in July. I wanted to pass along the information to you, since you also will continue to be part of my ministry!

*Arrival at the village of the Pokot tribe in central Kenya*

**NURMAY** enters the **POKOT** tribe in **central Kenya**. (Note: Nurmay also has been ministering among the **POKOMO**, located in Masalani and has started a church there.)

After investing heavily in terms of prayer and resources, the NURMAY missions movement has just entered in the depths of the Kenyan jungle to rescue souls living under the yoke and oppression of satan. Here, ignorance reigns. Therefore, the enemy takes advantage of it and imposes upon thousand of Pokots a life of fear of the unknown and worship of ancestral spirits.

In an opportunity we recently had to address dozens of Pokots, we saw in two days, 14 Pokots receiving the Lord Jesus and embracing the Faith. In this region, the **NURMAY** team will be primarily committed to the teaching of the Word and discipleship of the new converts. To the Lord, be all the honor and glory. Thank you for your prayers and generous contributions.

### Prayer Requests

- I. Pray that the new Pokot converts will be grounded and rooted in the Faith
- II. Pray for the financial resources we need in order to carry out a consistent ministry in this community. They live in areas that are difficult to access and the trips are very expensive.
- III. Pray that the Lord will send and increase the number of workers at NURMAY.

***Colossians 4: 2-3 "Continue earnestly in prayer, being vigilant in it with thanksgiving; meanwhile praying also for us, that God would open to us a door for the Word, to speak the mystery of Christ..."***

Looking back at my missionary "career" that started in 2004, I am amazed at all the changes and at everything God has done! And it's not over yet! I know He has amazing things still in store for us! Most of you have been with me from the beginning and I thank God and I thank YOU for your love and faithfulness!

Working together until He comes,  
Abel and Christa
